

The St. Cloud Area Chamber of Commerce, a regional organization of diverse businesses, increases business contacts, enhances professional development, and provides leadership and information on local and state business issues.

Our members say...

“The St. Cloud Chamber’s mission to ‘stay local’ speaks to the culture and mission of my company.”

*- Joyce Brenny

“Not only is it beneficial to meet new people and prospective customers at Chamber sponsored events, but we value the opportunity to reconnect with current customers, vendors, and friends in a social setting that is outside of the boardroom.”

*- Tim Buttweiler
Buttweiler Environmental*

“The Chamber membership went from an elective expense to a required expense after I saw what Chamber membership could do for exposure and marketing for my business. You get out of the Chamber what you put into it.”
